Our Strategic Goals 2018-2020

1 Students are sparked by learning to be the best they can be.

2 Students, whanau and staff are strongly connected to the school and community.

3 Curriculum content and delivery fuels motivation and engagement.

1

Students are sparked by learning to be the best they can be.

Strategic initiative 1a

Students are progressing and achieving highly in relation to NZC levels.

Strategic initiative 1b

Students are involved in planning components of their learning.

Strategic initiative 1c

Students and teachers know, understand and use the curriculum learning progressions to guide learning and teaching.

Outcome for 2020: Students are engaged, motivated and achieving highly. 85% of students are achieving at appropriate curriculum levels.

2

Students, whanau and staff are strongly connected to the school and community.

Strategic initiative 2a

Engaging with iwi regarding content and support for Culturally Responsive Framework (CRF).

Strategic initiative 2b

Building and implementing the CRF.

Strategic initiative 2c

Engaging the community with the CRF and action plan.

Outcome for 2020: Children are confident in, and proud of their identity, and that of Ngāti Toa School and their community.

3

Curriculum content and delivery fuels motivation and engagement.

Strategic initiative 3a

Implement a curriculum with programmes and approaches that deliver on the graduate profile competencies of being a learner, thinker and kaitiaki.

Strategic initiative 3b

Integrate relevant programmes and approaches into the current curriculum and delivery.

Strategic initiative 3c

Provide support to upskill staff where needed to deliver relevant programmes and approaches.

Outcome for 2020: Students are excelling in achievement; they are excited about, and engaged in their learning.
